

WOLF**HACKS**

CHINGUACOUSY SECONDARY SCHOOL

December 2nd, 2017

Sponsorship Package

Chinguacousy Secondary School's First Hackathon

Chinguacousy Secondary School is proud to be hosting its first Hackathon, WolfHacks. WolfHacks will bring together more than one-hundred students from across North America where they will design, build, demonstrate, and make their dreams a reality in **December 2017!**

Ontario has many young, talented, and diverse students that truly think outside of the box and use their creativity and problem-solving skills to find innovative fixes to persistent problems. This event will allow for them to come together under one roof and work together in the name of innovation.

Sponsorship Benefits

WolfHacks is excited to present you with an opportunity where you will be able to engage with bright, driven and innovative student developers. We want to provide you with the opportunity to engage with incredible students, so that they may be inspired, encouraged, supported and exposed to the industry. Hackathon participants are extremely motivated, creative and energetic about their work, they agree to sacrifice a weekend of relaxation and attend a healthy competition where their skills are refined and put to the test. You as a sponsor of WolfHacks would aid the students with this experience in every possible way. Contributions from sponsors will go towards food, t-shirts, transportation, staffing expenses, prizes and much more, which will allow for the event to be truly memorable for our hackers.

Why should you sponsor WolfHacks?

- **Gain Attention** Your branding will be shown to hundreds of developers across North America
- **Networking** Joining us at Wolf Hacks will allow you to witness great minds at work and will allow you to interact with bright students
